

Suggestions for raising money

Don't forget that you only have £10 each to start with. You can stick to one idea for the whole team or you can have several different items/events/services using some of the money for each.

1. An event/service such as
 - Car wash
 - Face painting
 - Disco
2. Making and selling something such as birthday cards, jewellery, cakes
3. Buying and selling something such as badges, pens or balloons
